SP C261DNw

30 ppm monochrome full color

Bring mobile convenience and affordable color closer

Today's fast-moving, highly productive professional demands a reliable, affordable laser printer designed specifically to simplify everyday printing. Place the compact SAVIN SP C261DNw Color Laser Printer on any desktop, reception area or retail counter and share important documents in vivid color at a moment's notice from your PC, Mac® or personal mobile device.

- Print up to 21 black-and-white or full-color pages per minute
- Produce professional-looking documents at up to 2400 x 600 dpi resolution
- Stay connected with wired or wireless printing
- Print from your mobile device with ease

Choose how you want to connect

Use a standard Gigabit ethernet connection for high-speed data transmission across the network or, with wireless LAN connectivity, install the SP C261DNw without cables or hassles and print files, photos and more from your laptop, smartphone or tablet via Wi-Fi Direct, AirPrint for Apple®, Mopria™ and Google Cloud Print™. Plus, you can download the Smart Device Connector app and simply scan a unique QR code with your Apple® smart device or swipe your Android™ mobile device by the printer's built-in Near Field Communication (NFC) tag for fast, convenient mobile printing on the go.

Ease into your workday

Keep work flowing with the SP C261DNw. Find operational details, check supplies and navigate tasks quickly via the intuitive 2-line LCD Control Panel. Print up to 21 pages per minute to produce more jobs in less time. The printer offers a powerful 350 MHz processor, so multiple users in smaller workgroups can send jobs simultaneously without overwhelming the device. Take advantage of traditional PostScript 3 emulation or PCL5/6 print drivers to print accurately with fewer reconfigurations or delays.

Extend print performance

You want a printer that adds value, not extra work. With the optional 500-Sheet Paper Feed Unit, you can store up to 751 sheets for longer, uninterrupted runs. Transform your best ideas into crisp, colorful flyers, reports, images and more on paper sizes up to 8.5" x 14". Choose between multiple resolutions — from 600 x 600 dpi up to 2400 x 600 dpi — to target diverse audiences. Replace the top-loading, all-in-one print cartridges in moments without placing a service call.

Conserve energy — and your budget

Complete everyday tasks with minimal energy and expense. The SP C261DNw meets EPEAT® Silver rating* and ENERGY STAR® certifications and realizes Typical Electricity Consumption (TEC) rates as low as 1.362 kWh/week. Recovery from Sleep Mode is less than 30 seconds, so the printer can reduce energy costs when inactive, yet be ready to work when you are. Plus, you can use duplex printing to minimize paper costs.

*EPEAT Silver rating is applicable only in the USA.

Engine Specifications

Configuration/Technology	Desktop, Color Laser
Printing Process	Electro-photographic printing
Toner Type	Dry mono-component toner developer, AIO Cartridge
Color/B&W Print Speed (Letter)	21 ppm
Max. Monthly Volume/Duty Cycle	Up to 1,500 prints/30,000 prints
First Page Out/Warm Up Time	14 seconds/30 seconds
Print Resolution	600 x 600 dpi (Default) (Speed Mode), 1200 x 600 dpi equivalent (Standard Mode) 2400 x 600 dpi equivalent (Fine Mode)
Standard/Max Paper Capacity	250-Sheet tray + 1-Sheet Bypass Tray/ 751 sheets
Standard Output Capacity	150 sheets
Supported Paper Sizes	Standard Tray/Bypass Tray: 3.54" x 5.83" – 8.5" x 14.0"
Supported Paper Weights	Standard Tray: 16–43 lb. Bond/90 lb. Index (60–160 g/m2) Optional Tray: 16–28 lb. Bond (60–105 g/m2) Duplexing: 16–24 lb. Bond (60–90 g/m2)

Supported Paper Types

Bond*, Cardstock*, Color, Label*, Letterhead, Plain, Pre-printed, Pre-punched, Thick, Thin & Recycled papers, Envelopes* (*via Standard Tray and Bypass only)

Duplexing	Automatic (standard)
Dimensions (W x D x H)	15.8" x 17.7" x 12.6" (400 x 450 x 320 mm)
Weight	52.5 lbs. (23.8 kg)
Power Consumption	B&W: 331.3 W, Color: 404.1 W, Sleep Mode: 1.3 W
Typical Electricity Consumption (TEC)	1.362 kWh/week
Recovery from Sleep Mode	29 seconds
Power Requirements	120V, 60Hz, 11A
ENERGY STAR	Certified
EPEAT	Silver

Print Specifications

Processor Speed	350 MHz
Memory (Standard/Maximum)	256MB RAM
Printer Languages	PCL6/5c, PostScript 3 emulation, PictBridge
Connection Type	10Base-T/100Base-TX, USB 2.0 Type B, USB 2.0 Type A, IEEE802.11b/g/n
Font Support	PCL/PS3: 80 fonts
Network Protocols	TCP/IP, IPP, Bonjour
Supported Operating Systems	Windows Vista, 7, 8.1, 10, Systems Server 2008/R2, Server 2012/R2, Macintosh OS X 10.9–10.12, Linux and Unix Filter Macintosh: OS X 10.9–10.12, Linux and Unix Filter
Device Management Utilities	RICOH @Remote, RICOH Device Manager NX, RICOH Printer Driver Packager NX
Mobile Printing	RICOH Smart Device Connector App, Apple AirPrint®, Google Cloud Print™, Mopria™

Other Print Features

Collate, Dithering, Duplexing, Do Not Print Blank Pages, Front Cover, Layout/N-up Printing, Locked Print, Mirror Image Print, Reduce/Enlarge Print, Rotate Print, Watermarks, Economy Color

Security Features

Wireless LAN Security–WEP, WPA2, Network Security via TCP/IP Access Control, Encrypted Communication using IPsec, IPP Authentication, Locked Print, User Restrictions

Hardware Options

Paper Capacity:	500 sheets
Supported Paper Sizes:	Fixed for 8.5" x 11" / Letter, A4
Supported Paper Weight:	16-28 lb. Bond (60–105 g/m2)
Dimensions (W x D x H):	15.7" x 17.7" x 5.0" (400 x 450 x 127 mm)
Weight	8.8 lbs. (4 kg)

For maximum performance and yield, we recommend using genuine Ricoh parts and supplies.

Warranty

The SAVIN SP C261DNw is under warranty against defects for a period of one year from the date of purchase. Consumables are under warranty for period of 90 days from the date of purchase or until depleted, whichever comes first. Please refer to warranty documents shipped with the product for more details.
